

# GiffGaff content blocker

## Controls & Settings guide

All Pay As You Go GiffGaff mobiles block adult content automatically but if your child has Pay Monthly contract then you can choose to block adult content when their smartphone is not connected to the WiFi.

## What do I need?

A credit card to verify you're over 18.

## Restrictions you can apply

Inappropriate content

# Step by Step instructions

## 1. Managing content blocker

To turn off the content block you will need to provide proof that you are over 18s. This could be:

Passport  
Provisional British-driven licence

This is the only way this blocker can be removed. You will need to restart the device if it was running as we speak.
