Enter what is required to set controls, i.e. password A steam account (email address/Password) A pin code to edit the family view control

Restrictions you can apply

Inappropriate content

Online games

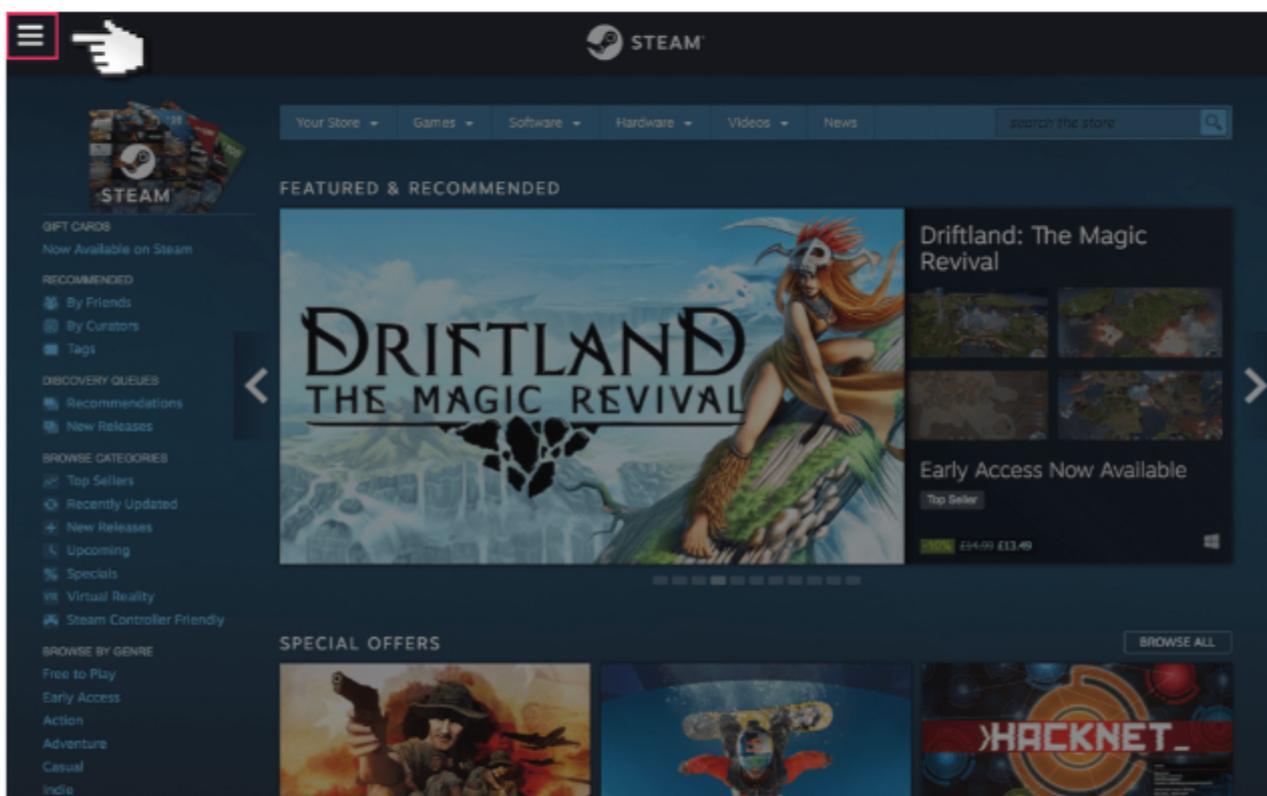

Weapons & Violence,

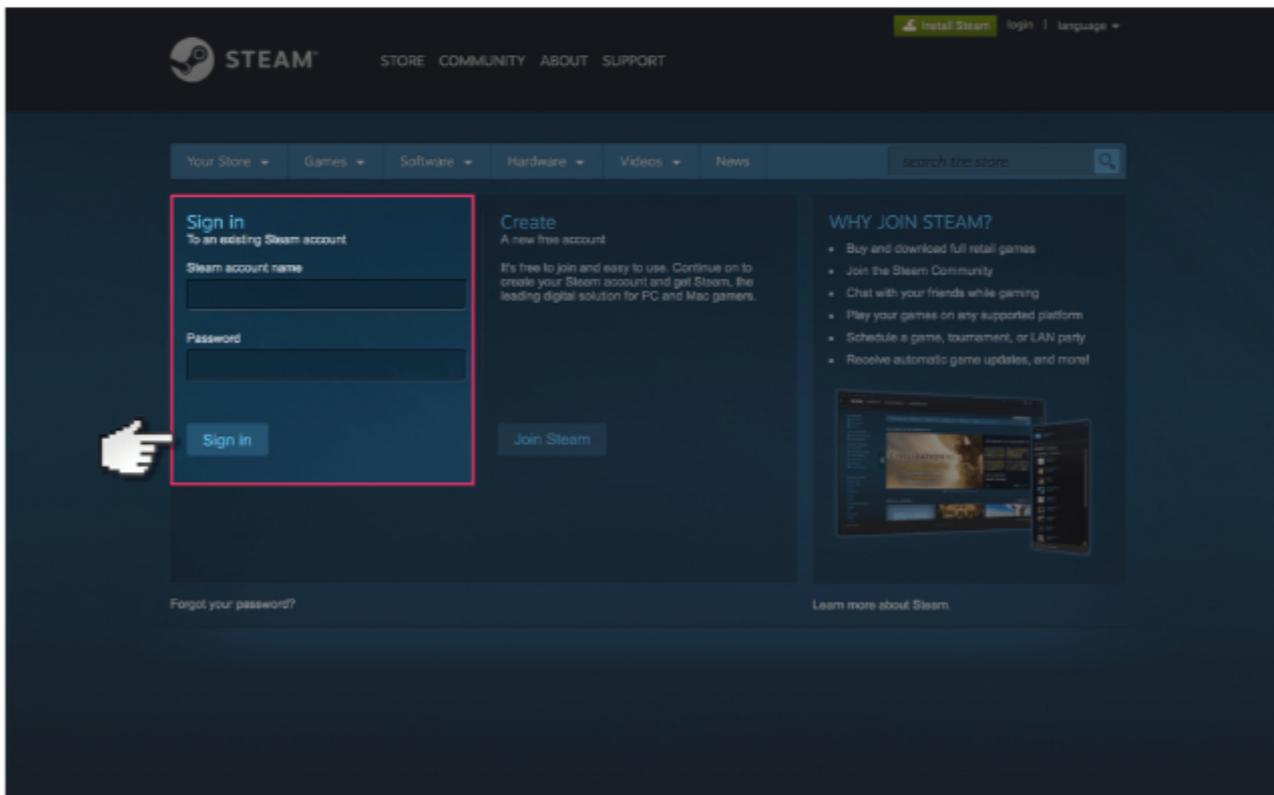

Gore & Hate

Step by Step instructions

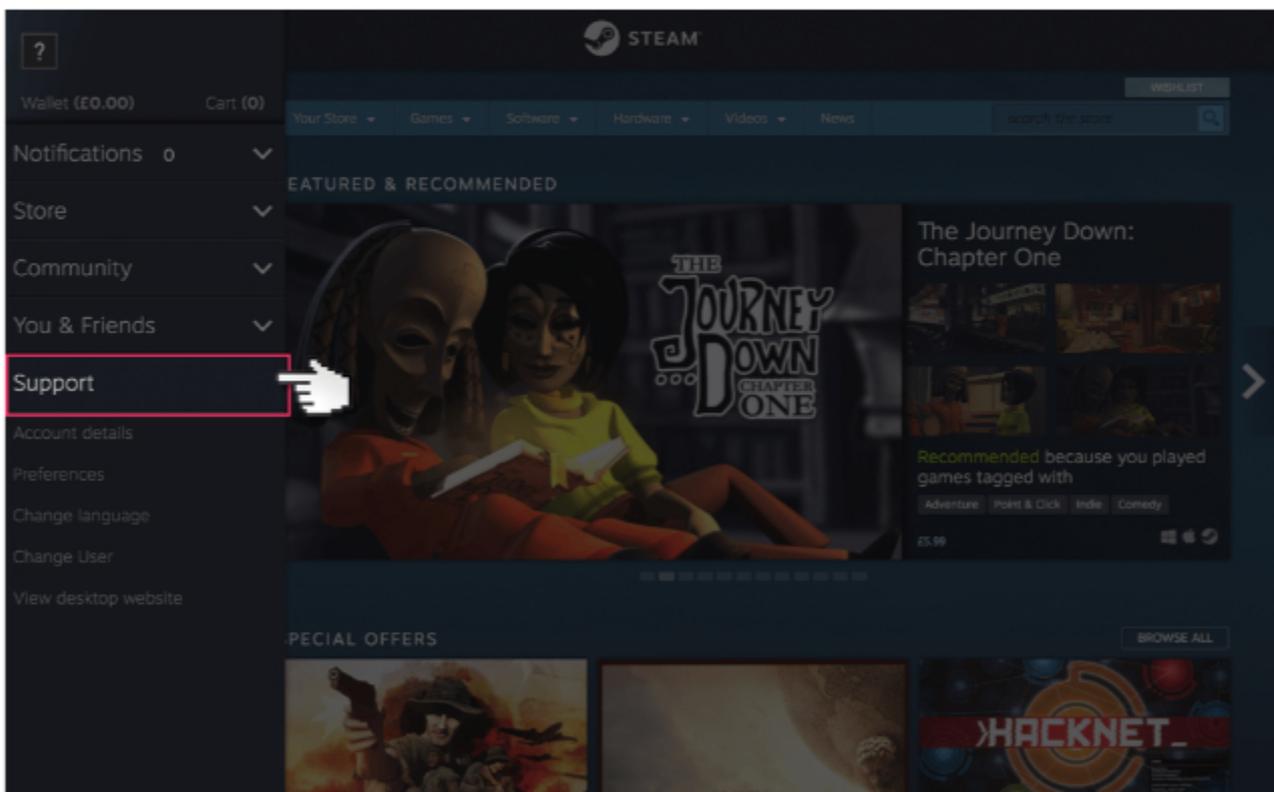

1. Go to store.steampowered.com and click the top left icon and select 'log in' at the top.

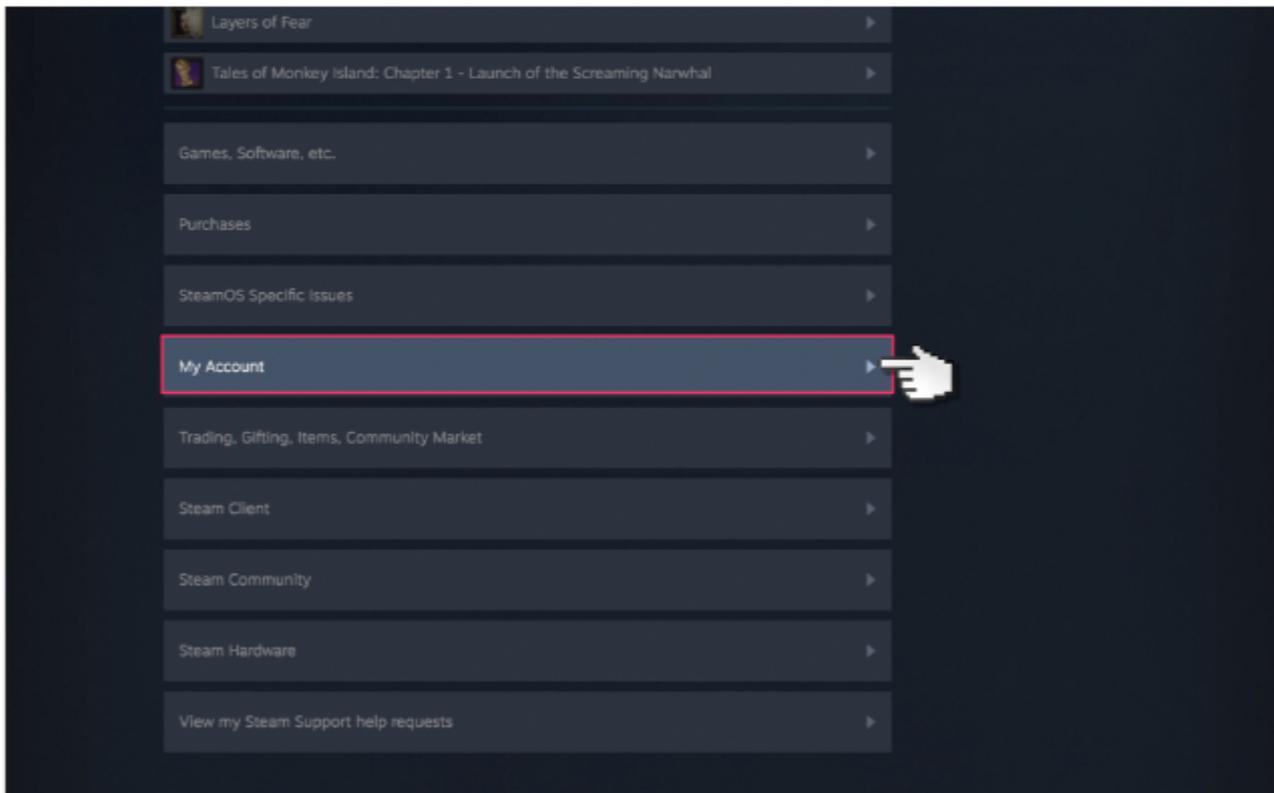

2. Log in to Steam account using your email address and password.
If you haven't got an account click the 'Join Steam' button.

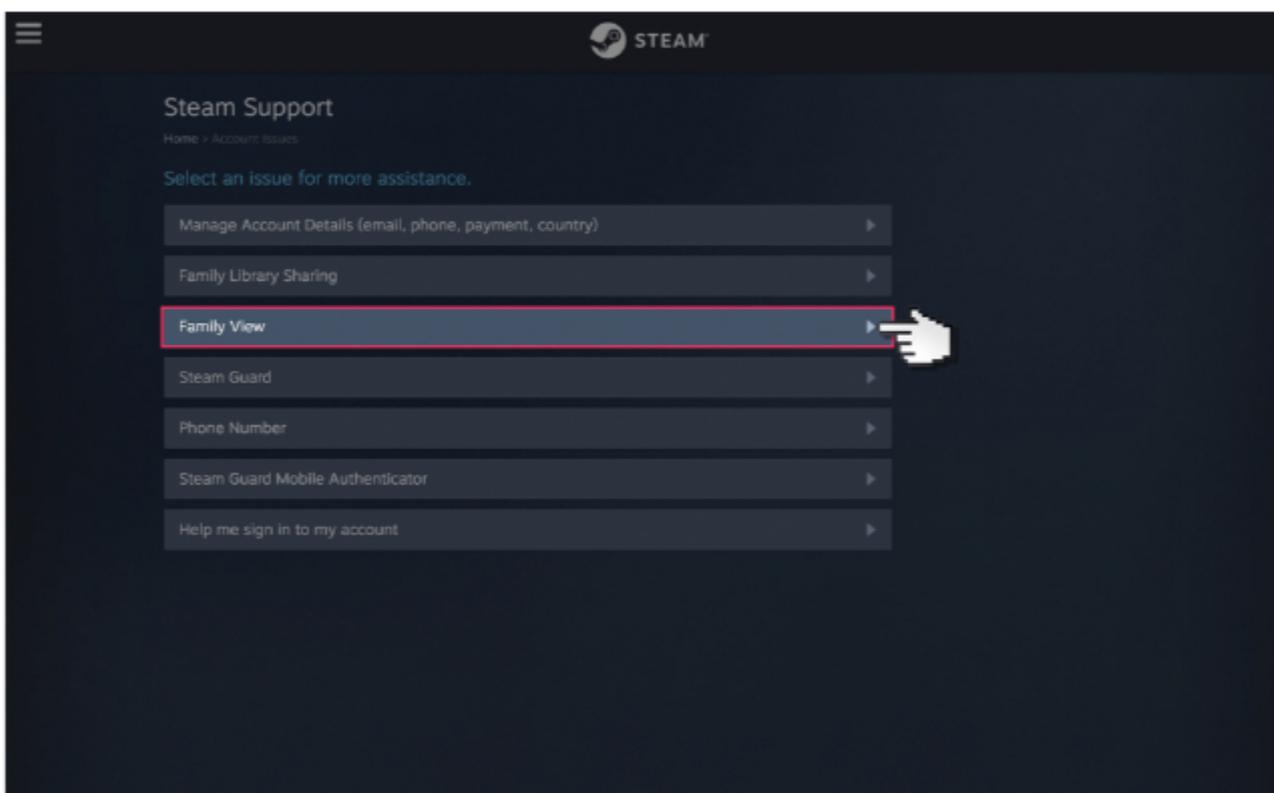

3. Once logged in, select the top left icon again and select 'support'.

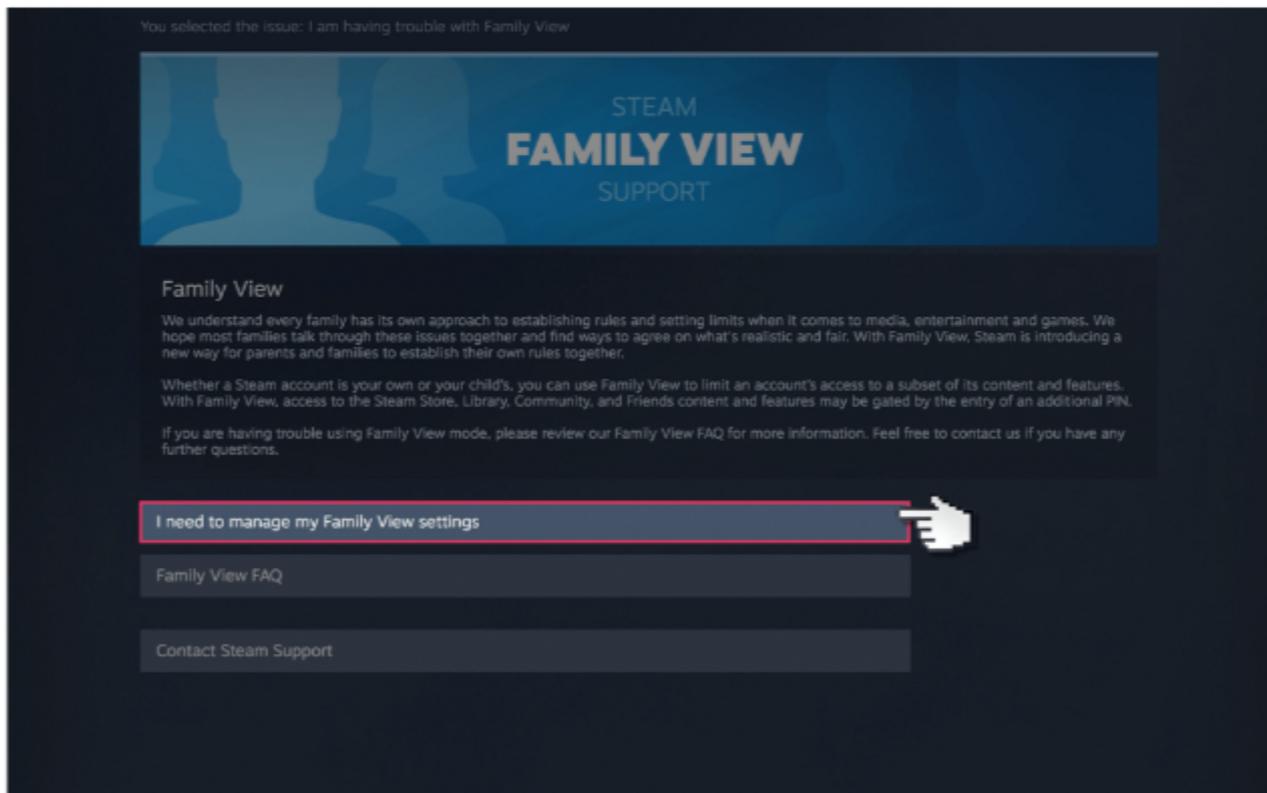

4. Click on the 'My account' button.

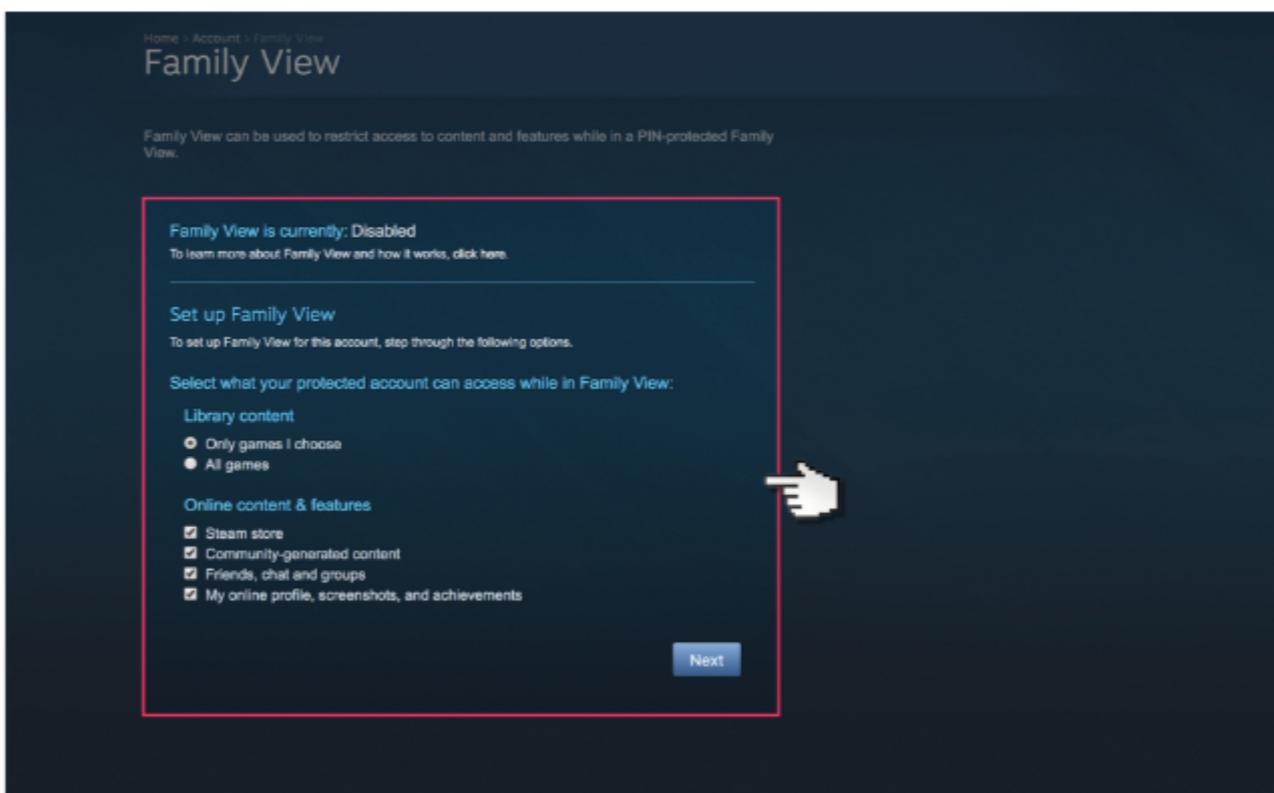

5. Click on the 'Family view' button.

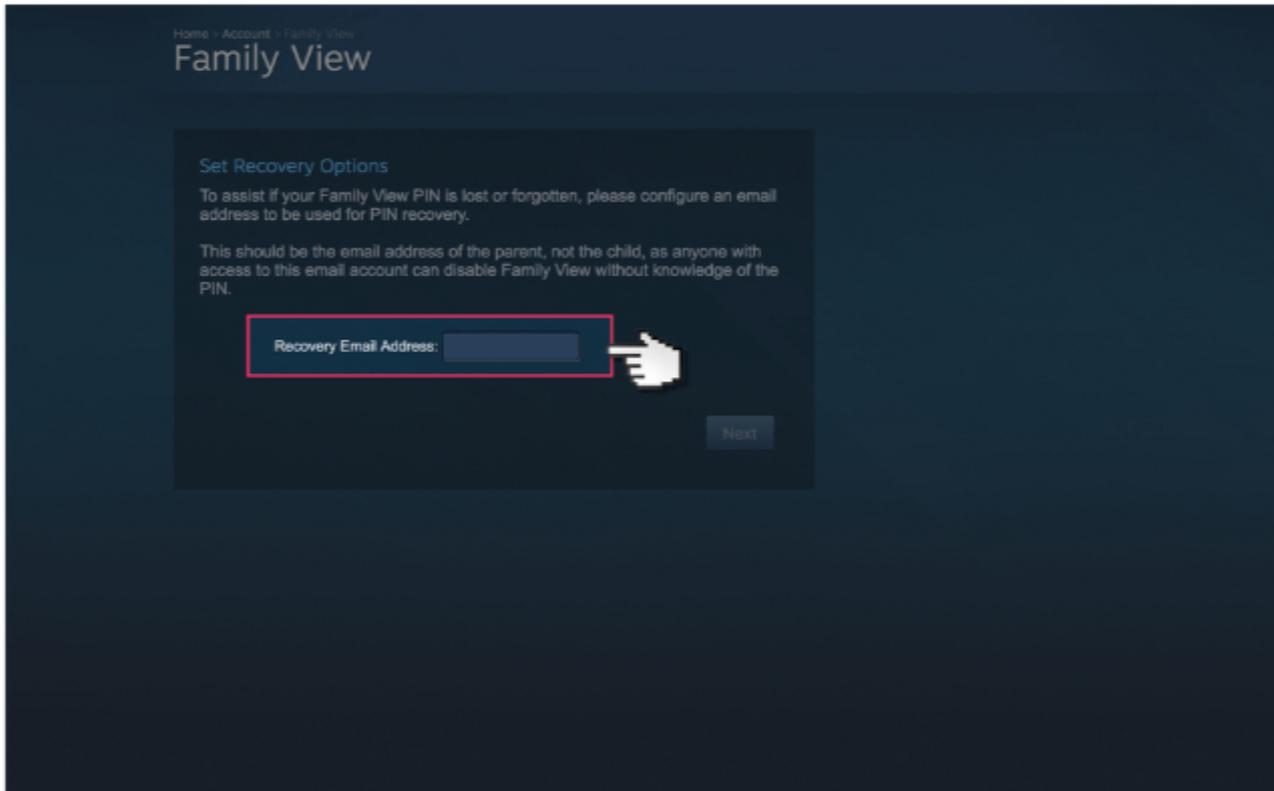

6. Then click on 'I need to manage my family view settings' button.

7. Here you can select which games and content you want to be restricted on Steam. Note that every time you buy a new game you have to add it to the safe list.

8. Choose the email address you want to use as a recover email if you lose the pin.

Home > Account > Family View

Family View

Set Recovery Options

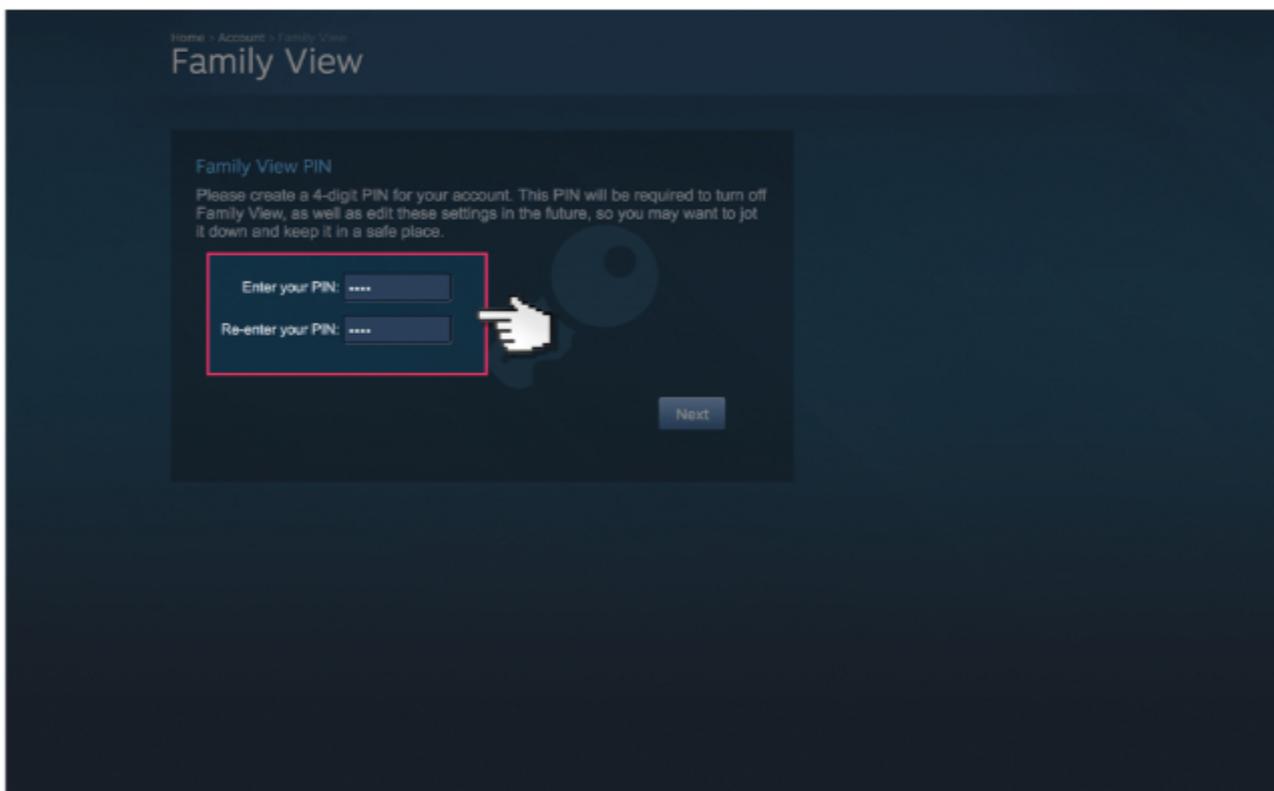

To assist if your Family View PIN is lost or forgotten, please configure an email address to be used for PIN recovery.

This should be the email address of the parent, not the child, as anyone with access to this email account can disable Family View without knowledge of the PIN.

Recovery Email Address:

9. Choose a 4 digit pin you'll use to edit these settings in the future.

Home > Account > Family View

Family View

Family View PIN

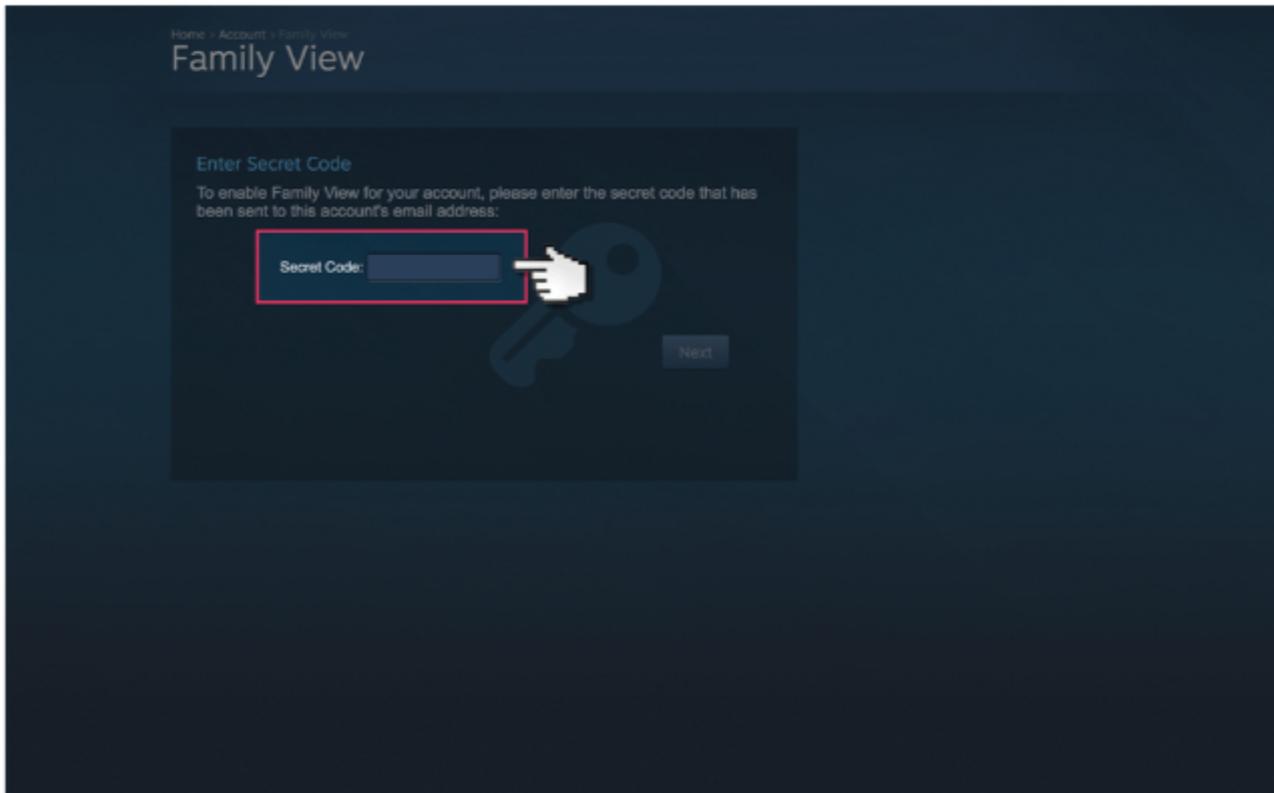

Please create a 4-digit PIN for your account. This PIN will be required to turn off Family View, as well as edit these settings in the future, so you may want to jot it down and keep it in a safe place.

Enter your PIN:

Re-enter your PIN:
